

# Registration fee drawings and current promotions!

While we encourage families to pay the \$125 Registration Fee per child at the time of Kindergarten Registration (May 6), we understand that it may cause a financial hardship for some.

Here are several options to possibly assist you:

- You may arrange to make partial payments of the fee before the first day of school for 2019/20.
- If you are able to pay by Wed., May 29 the full \$125 fee **and** complete all the 2019/20 registration paperwork, you will be eligible for one of two drawings. One family will receive the full reimbursement of \$125, the second drawing for \$62.50 (one-half of the fee).
- Remember, if you are a New Family, your first month of tuition or sacrificial giving for 2019/20 is **FREE**.
- Refer a New Family to enroll and receive a **\$100 credit** towards your tuition and tuition or sacrificial giving account!

Please stop in the school office to inquire!
